Reporting Graffiti, Road or path defects, Street lighting, Litter, Tree and Grass Maintenance: call 01-4149000 or info@sdublincoco.ie to report it to SDCC

September 2025

Welcome to your Autumn Newsletter

Family Fun Day 2025

It was great to see such a tremendous turnout of families, at the WORK Fun Day in St. MacDara's on Saturday, 23rd August. Sincere thanks to the many performers, musicians, dancers, singers, face painters, scouts and many helpers who contributed to the success of the event; we are grateful for the local businesses who donated raffle prizes and acknowledge the generous sponsorship which we received from Horkan's SuperValu, Brady's Butchers, Thorntons Recycling, Howley Souhan Estate Agents, South Dublin County Council and are most grateful to St. MacDara's College for the use of their grounds. The rolling clouds overhead, the odd shower of rain and the non-appearance of the magician didn't dampen the enjoyment and the atmosphere in the least.

Hospice Coffee Morning

Save the date! WORK Coffee Morning in aid of Our Lady's Hospice in Harold's Cross will be held on Friday, 26th September on the green beside Osprey Road. We hope to be up and running by 9.30am. Last year's event raised €1812 and we look forward to an equally successful event this time. We welcome all donations of pastries, cakes, raffle prizes towards this event.

WORK AGM

Members are advised that the Annual General Meeting of the WORK Residents Association will be held in the back lounge of St. Jude's clubhouse on Monday, October 20th, at 7.30pm.

WORK Membership

Once again, WORK Committee wishes to acknowledge the outstanding response to its collection of the membership subscription in 2025. Taking into account that there are some vacant houses and some houses that are for sale or just sold, well over 80% of households have paid the membership subscription – by cash, debit card, online or by Bank transfer. This generous response in 2024 and in 2025 has enabled WORK to keep its membership fee at €20.

November Cleanup

The November cleanup will be on Saturday November 15th.

BusConnects Changes

Local Bus Routes 150, 54A and 15A will be removed as part of the BusConnects plan:

- Route 150 will be removed during the first quarter of 2026.
- Route 54A will be removed before the end of 2025
- Route 15A will be removed in Quarter 3 of 2026.

There will be no direct replacement for any of these three routes though some of the replacement routes will be quite similar.

For more information on how local routes will change see www.workresidents.ie

Environment

WORK has awarded Certificates of Merit 2025 to a number of gardens throughout the WORK estate acknowledging their positive contribution to the appearance of our area. We look forward to even more gardens being commended in 2025.

Tymon Park Wetlands

WORK welcomes the opening of the wetlands in Tymon Park and the boardwalk which will give pedestrians open access to view at close quarters the rich biodiversity of flora and fauna that will increasingly populate the wetlands. This is a magnificent additional amenity in Tymon Park. WORK advises parents and guardians of toddlers to exercise due care when accompanying them through the wetlands.

Tymon Park Pitches

SDCC recently secured Sports Capital funding to upgrade pitches 129 and 130 in Tymon Park. Works will involve installing a full pitch drainage system to enhance playability by reducing waterlogging and addressing surface unevenness. The upgrade works are expected to commence the week of 8th September.
